

Hello SPCC Members,

Thanks to all who have been part of the demolition, putting back together, painting, flooring....and the list goes on. Countless volunteer hours to improve our club.

We are in the home stretch and hoping that we can wrap up the renovations. It is looking fantastic!

The trim work is scheduled to be completed and the clean up can begin (wash ceilings and lighting in main area, clean up trophy shelf, vacuum new floors, etc.) Once clean up is completed we can wipe down furniture, felt bottoms on all the legs hitting those new floors, pictures on walls, etc. The change rooms have been our main storage areas so they will need a clean up as well.

**The clean up day is Thursday, August 31st. One in the morning 9-12am and one in the evening 7-9pm.**

Please email Janan at [jalles@amaplas.com](mailto:jalles@amaplas.com) if you think you can help so that we have an idea of the numbers.
